A photograph of the entrance to the Georgia Diagnostic Prison. The entrance is marked by a large, light-colored brick wall with two tall, pointed arches. The words "GEORGIA", "DIAGNOSTIC", and "PRISON" are displayed in large, black, sans-serif capital letters on the wall. To the right of the wall, a red Volkswagen Beetle is parked. Two men are standing next to the car; one is wearing a dark uniform and the other is wearing a high-visibility yellow vest over a dark shirt and light-colored pants. The background is filled with lush green trees and a well-maintained lawn in the foreground.

“I am the  
most  
intelligent...”

“See! I work so hard for my daily grass...!”

“If I don’t work very hard, how can my master survive ...”

A woman with blonde hair, wearing a black and white checkered hooded jacket, is smiling and holding a bunch of green grass in her hand, offering it to a dark grey donkey. The donkey is looking at the grass with its mouth slightly open. They are in a grassy field with trees in the background. A blue thought bubble is positioned above the donkey's head.

“... and give me a bunch of grass..?”

“Oh... I love  
carrots a lot ...”

“For eating a carrot, I don’t mind pushing me until I get it...”

“See! I never  
give up... I am  
very intelligent  
and never quit.”

In this world, every one is so busy, working so hard ...

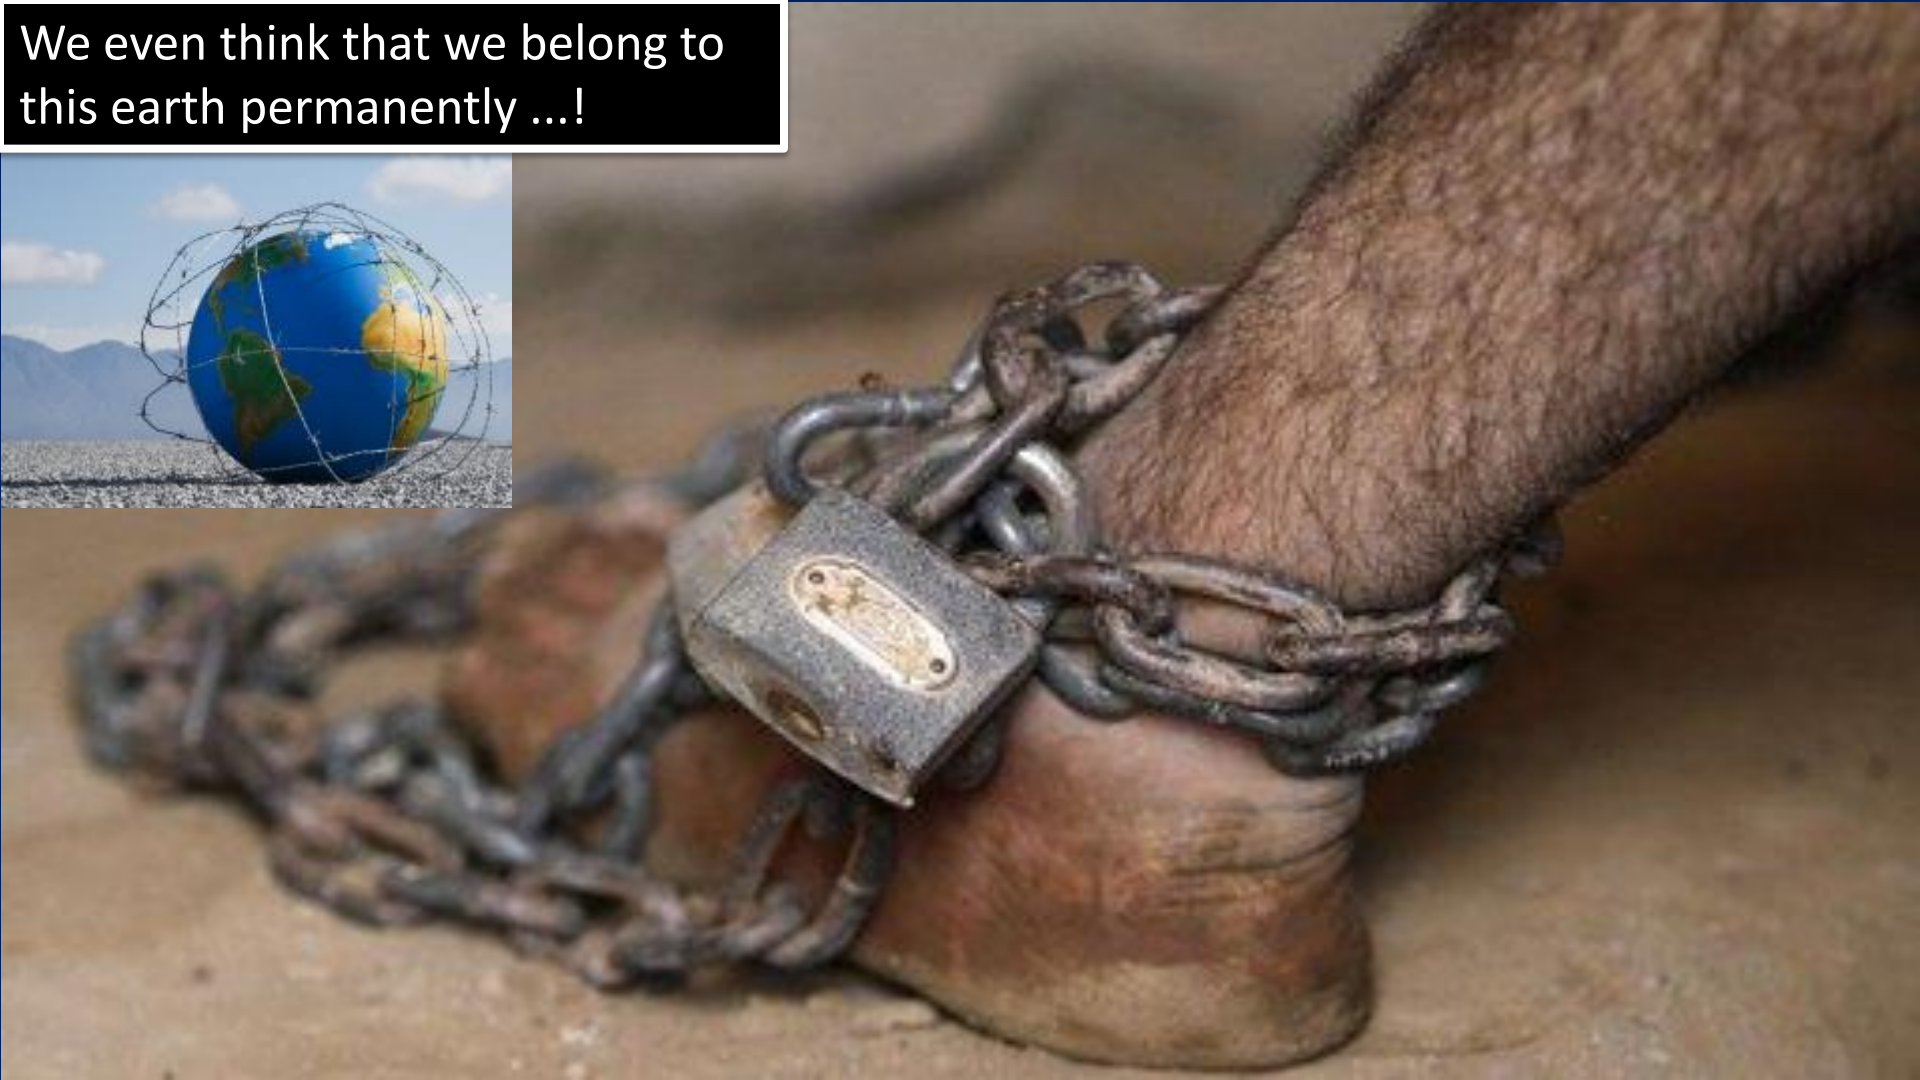

We are so entangled in this earthly life... with so many things.

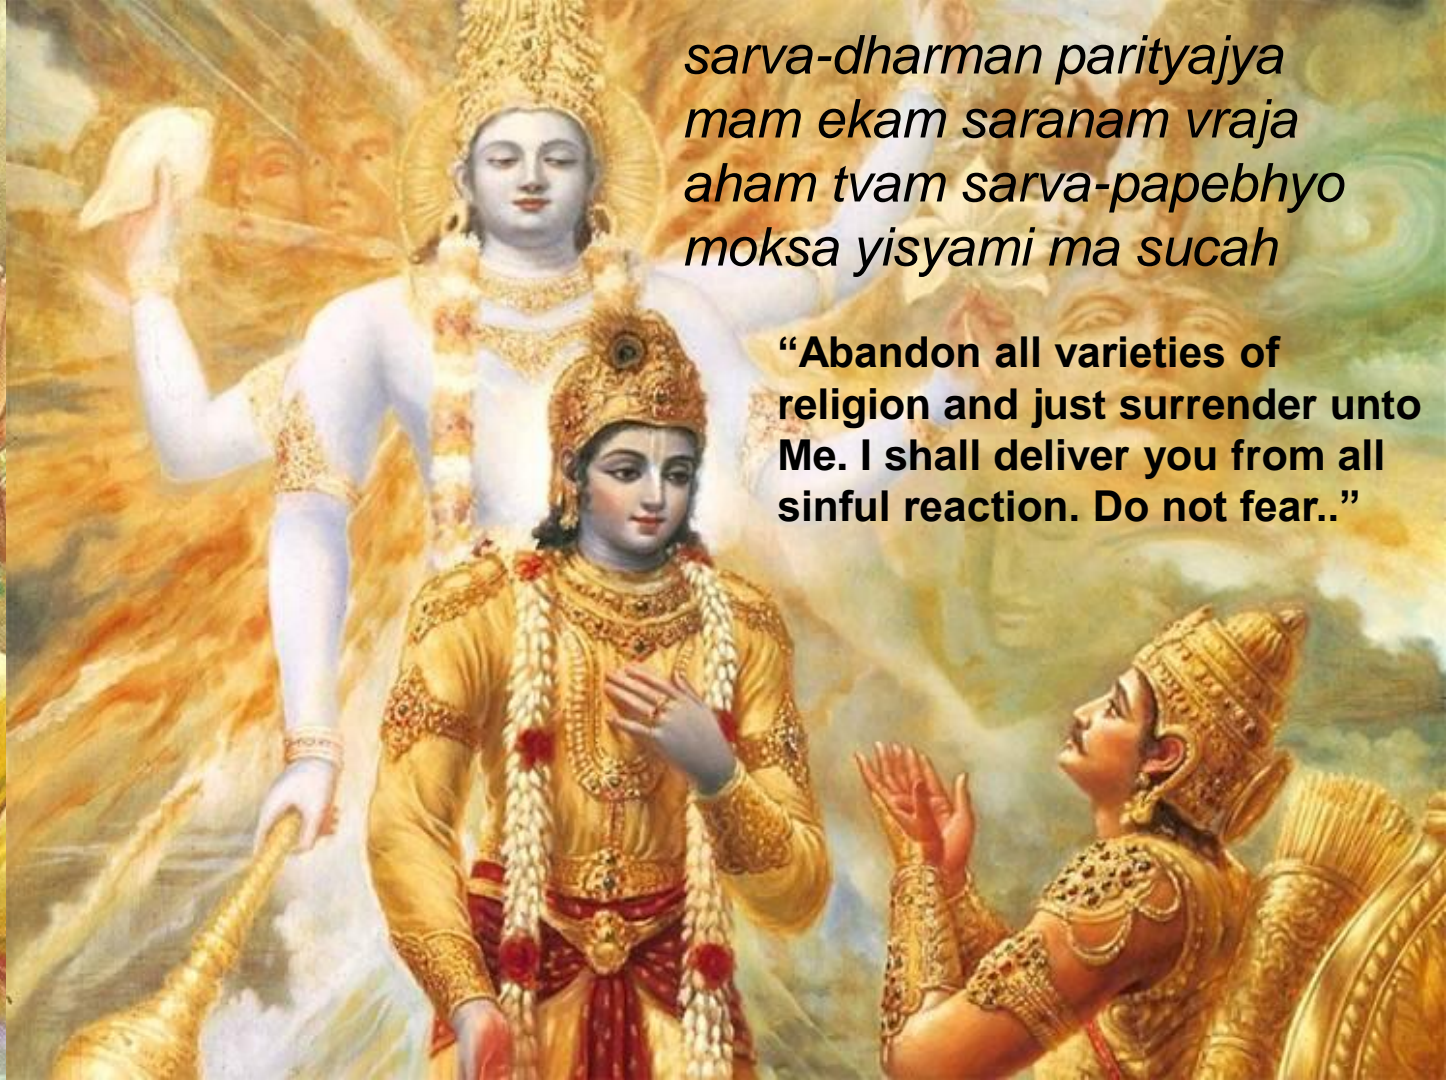

We even think that we belong to this earth permanently ...!

[ According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krsna. By the mercy of both Krsna and the spiritual master, such a person receives the seed of the creeper of devotional service. ]

# What is the purpose of Human Beings?

We think we are  
intelligent.

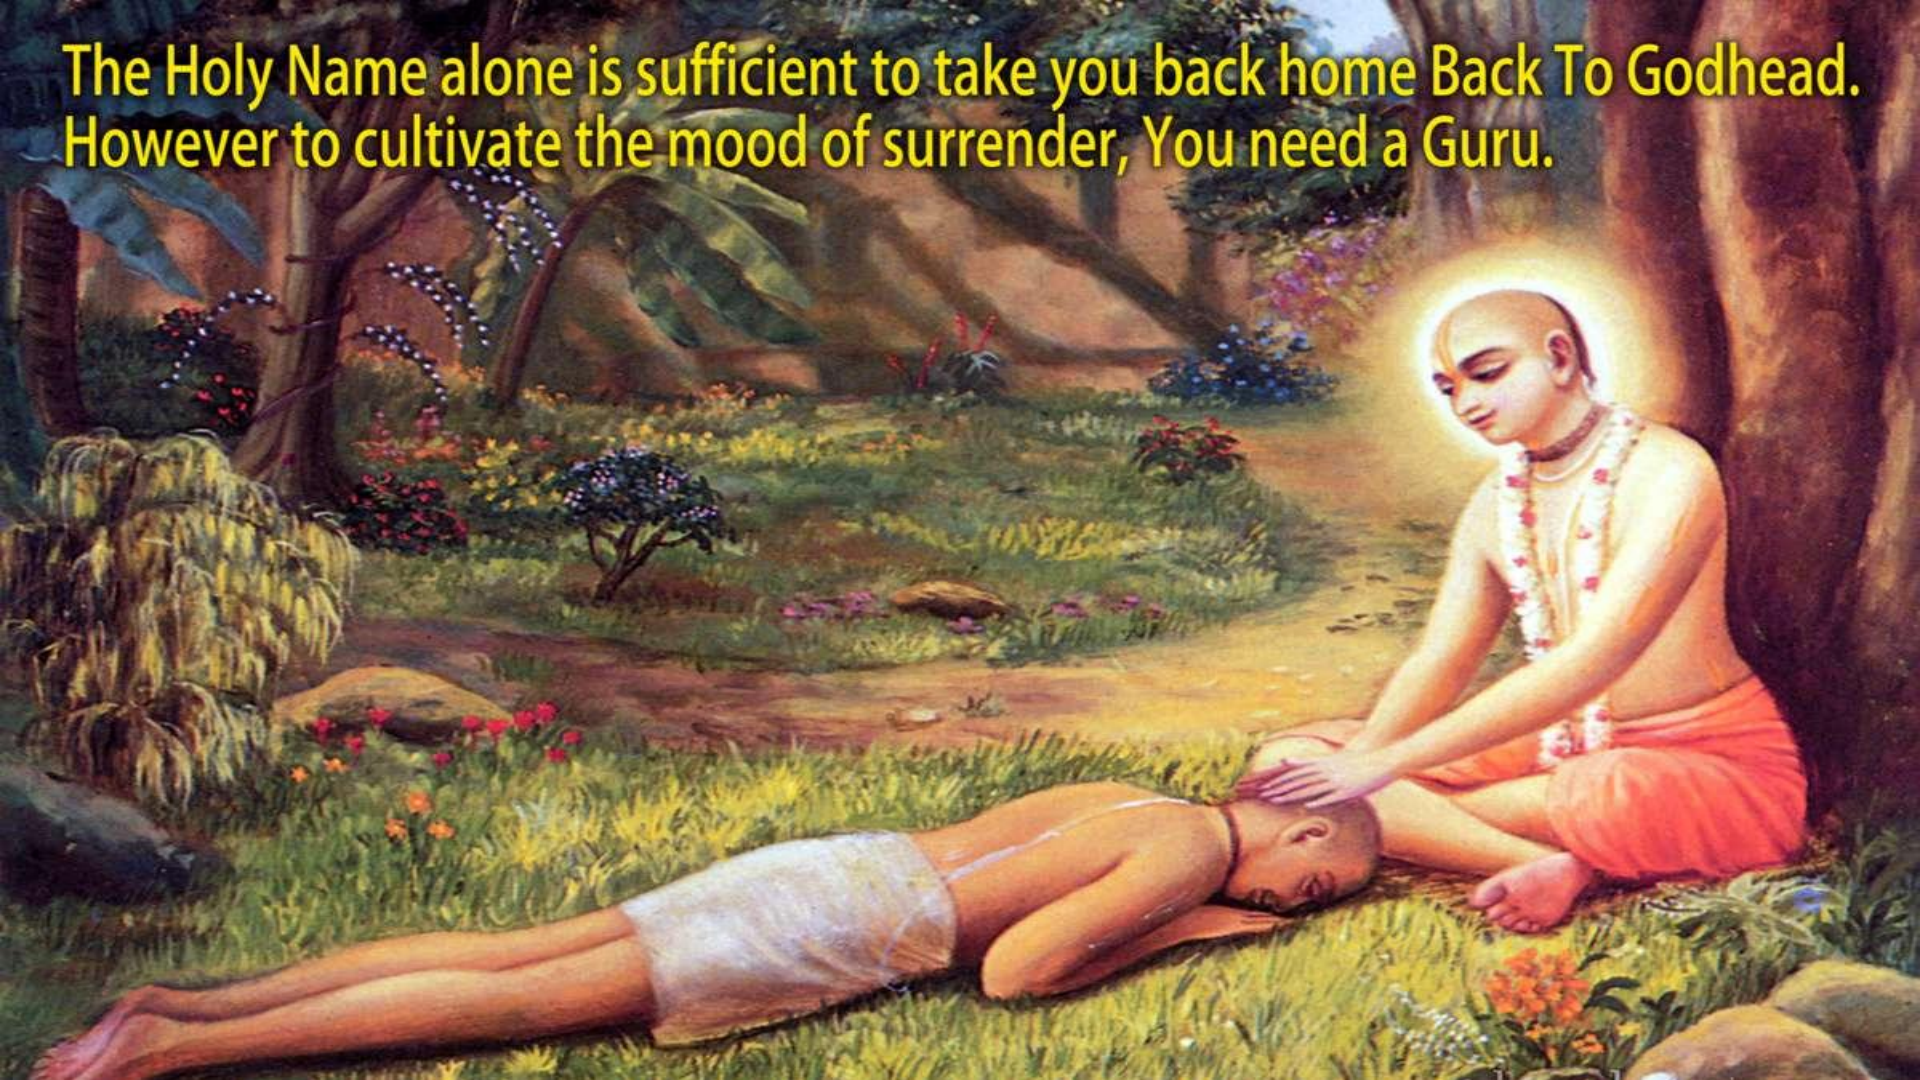

Unlike this donkey,  
Our REAL Intelligent  
is to understand and  
work for the REAL  
Goal of our life..

Balance our life and  
let us not be trapped  
by MAYA!

Chant Maha Mantra  
Every day!.

The Holy Name alone is sufficient to take you back home Back To Godhead.  
However to cultivate the mood of surrender, You need a Guru.
