Tasmai Sri Gurave namah

Guru is Brahma, Visnu and Maheswara.
Guru, as Brahma, plants the seed of bhakti.
Guru, as Visnu, nourishes the creeper of bhakti.
Guru, as Maheswara, destroys all obstacles in the path of bhakti.
Guru is non-different from supreme lord.
To that guru, I offer my obeisances.

“My kids accuse me and my wife of being overly concerned about tech, and they say that none of their friends have the same rules. That’s because we have seen the dangers of technology firsthand. I’ve seen it in myself, I don’t want to see that happen to my kids.”

After attaining Me, the great souls, who are yogīs in devotion, never return to this temporary world, **which is full of miseries**, because they have attained the highest perfection.

BUT WHY DID KRISHNA MAKE THIS WORLD MISERABLE?

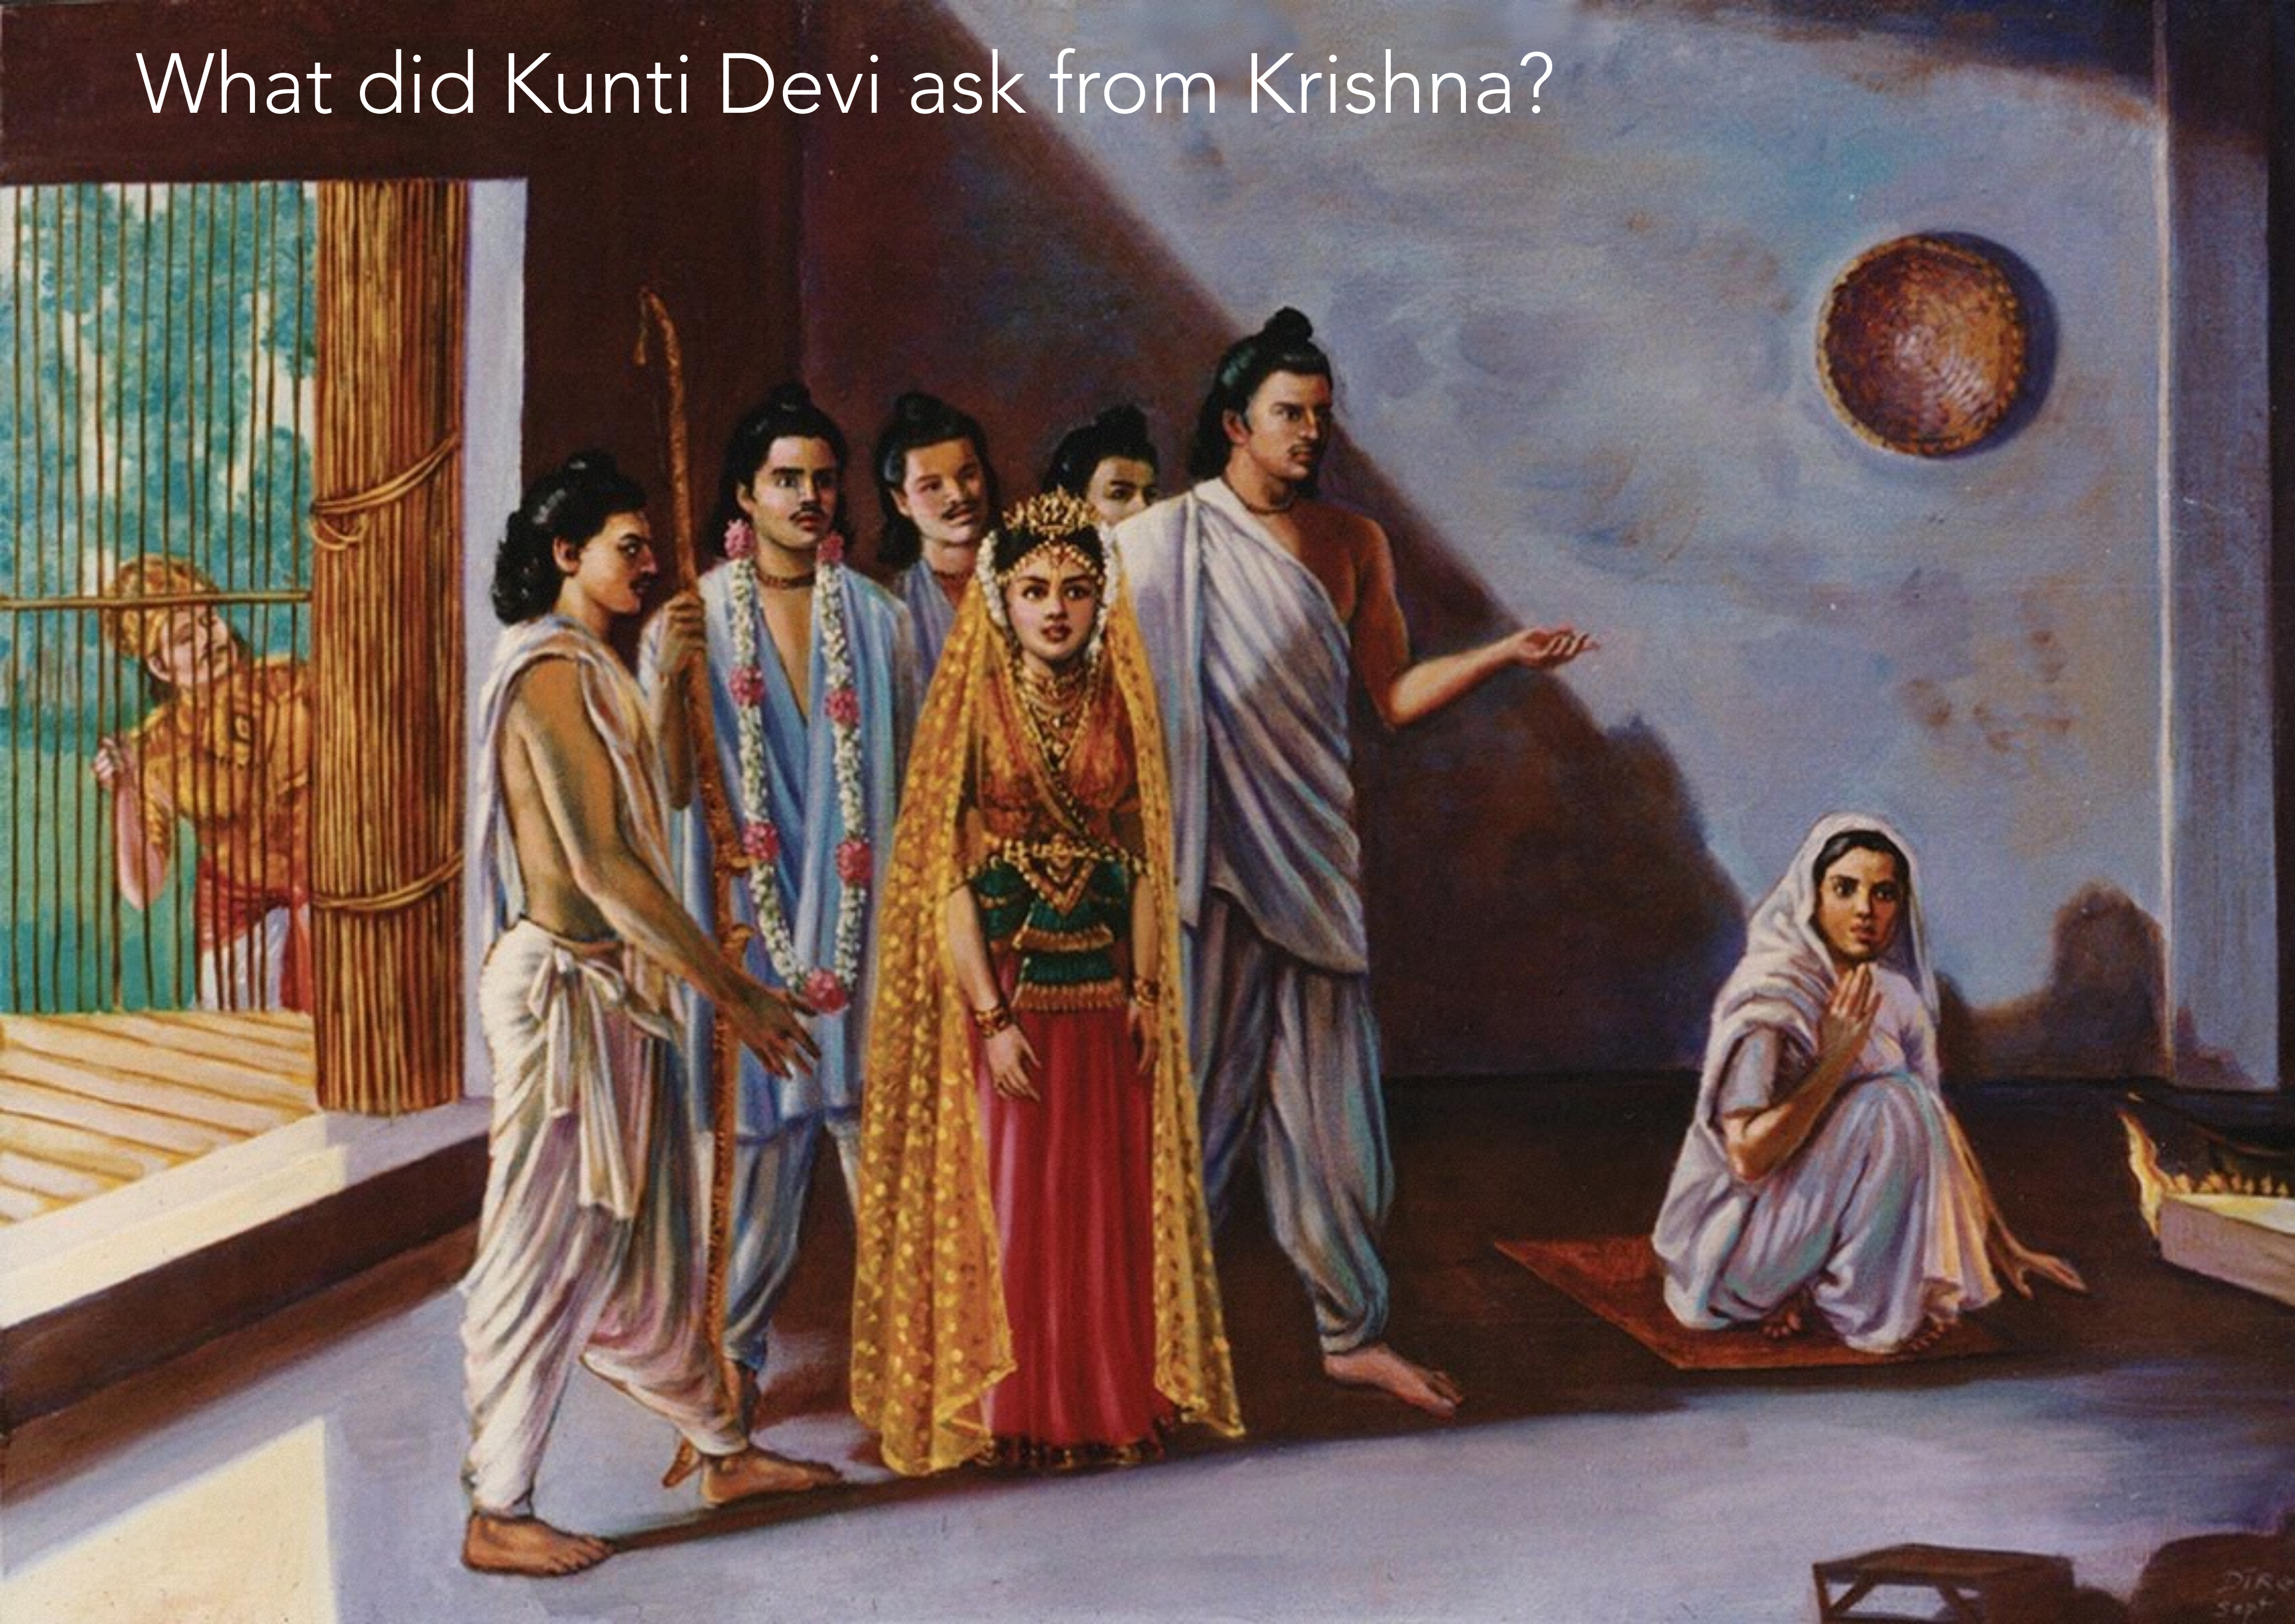

BECAUSE HE WANTS US TO FEEL THE MOST IMMEDIATE URGE TO LOOK FOR OUR REAL GOAL..

Material worlds are the Fool's Paradise!

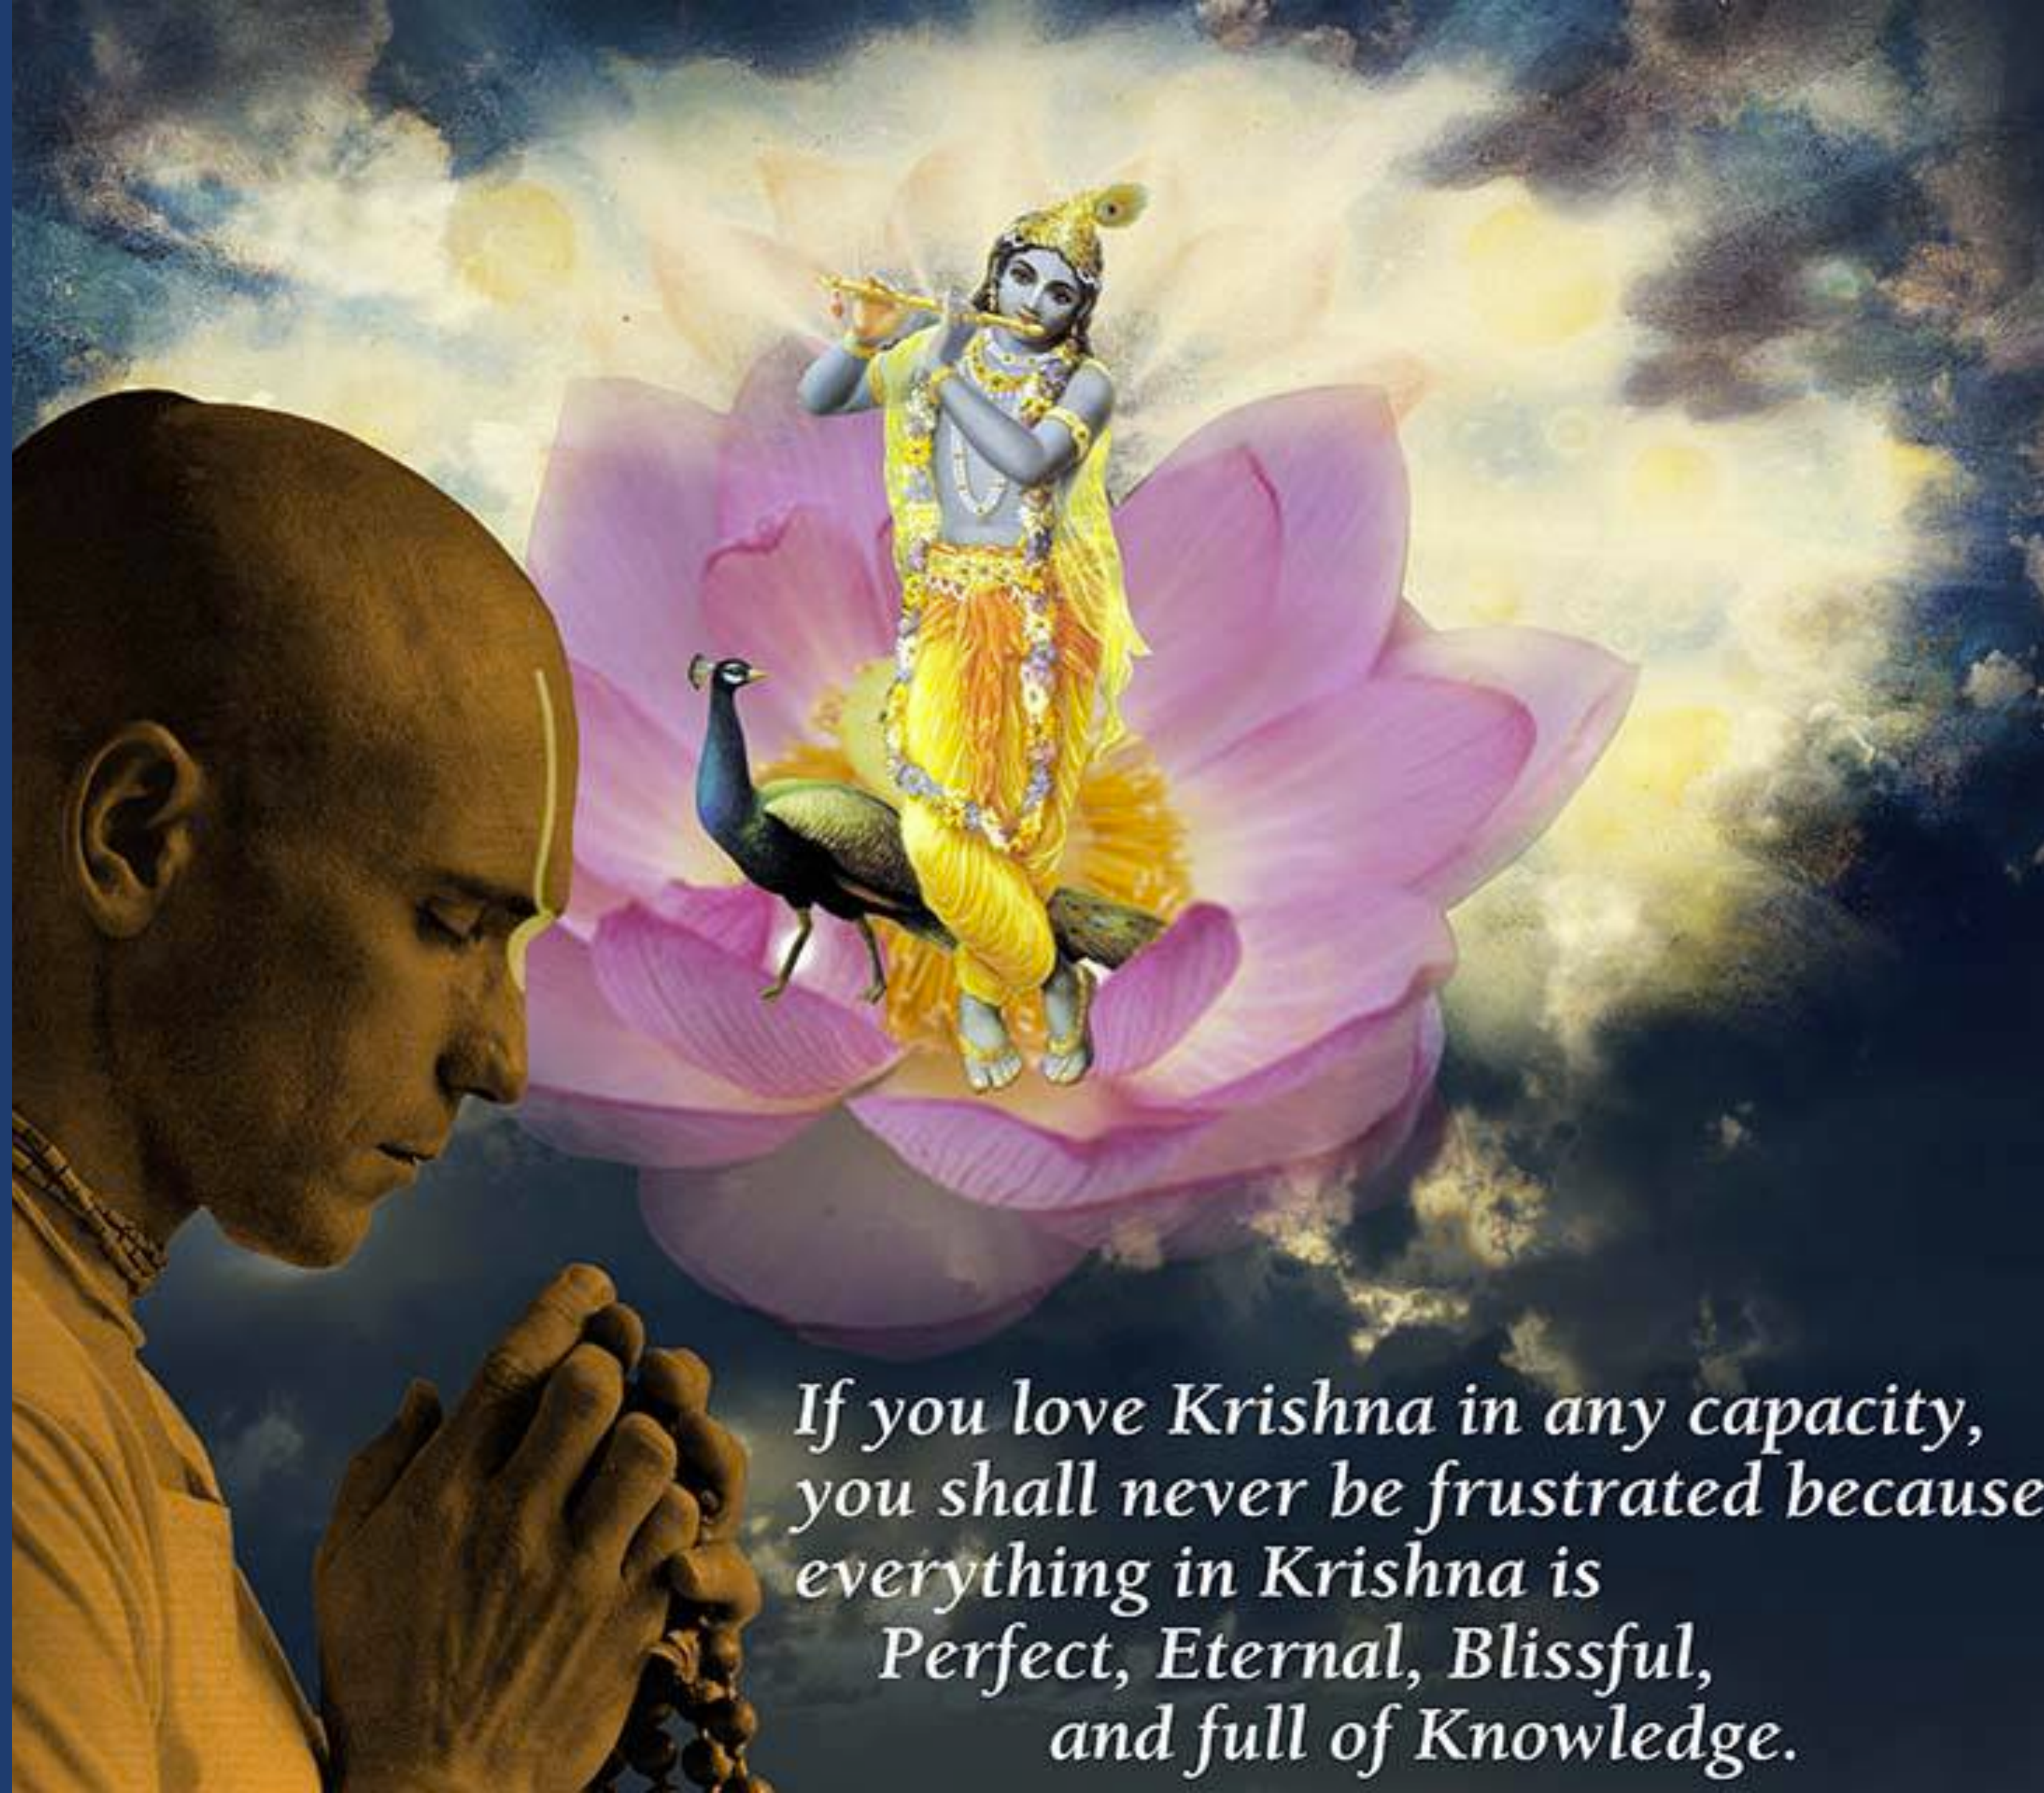

IN THE MATERIAL WORLD, EVERY STEP WE TAKE HAS A DANGER

For those who have accepted the boat of the lotus feet of the Lord, who is the shelter of the cosmic manifestation and is famous as Murāri, the enemy of the Mura demon, the ocean of the material world is like the water contained in a calf's hoof-print. Their goal is paraṁ padam, the place where there are no material miseries, not the place where there is danger at every step.
