

Dear Friend,
Namaste & warm greetings!

Thank you for contacting us, and for your interest in seeking our guidance in your spiritual development. We are very happy to help you.

We are from the International Pure Bhakti Yoga Society (IPBYS) Outreach Prison Program, a dedicated ministry (and nonprofit) under the guidance of our dear spiritual master, Srila Bhaktivedanta Narayana Gosvami Maharaja. We are dedicated to serve the spiritual needs of inmates and the public.

We have a monthly course and we are sure that you will be interested in. It is called 'Journey to Prema', written by a previous member who was incarcerated for 17 years. We hope that you will find it interesting and useful in your spiritual path for inner peace and development of love of God. We also have a newsletter that we send every other month.

We hope you will find joy in communicating with us. We have penpals who can help you in answering your questions. Depending on your interest, we will also send you free spiritual books, and help you in any way we can for you to advance in Krishna consciousness.

With this, we are attaching the first lesson of the course. Please fill the questionnaire that can be found at the end, and send it back to us so that we can update your profile and serve you better. Only when we get your correct address and communication in place, we can continue and send you any free books.

It is also very important that if you like to continue receiving future lessons, penpal and books, you must inform us of that as well.

You can also freely share our service with other inmates as well, and they can write to us so that we can enroll them into our monthly lessons, newsletters and most importantly our free books as per the need and background. We are here to help you!
